Alexandre Dumas was born near Paris in 1802. His grandmother was a Haitian slave, and his father, a general in the French army, died when Alexandre was only four. As a child, Dumas was poor, and had little education, but when he was twenty he went to live in Paris and soon became successful both as a playwright and a novelist. His other famous book *The Three Musketeers* (1844) is also available in the Dominoes series. Alexandre Dumas died in 1870.
